More House is a Roman Catholic foundation which admits pupils of all faiths (or none). The School's Aims are:

- **to establish an environment where pupils and staff are valued and supported as individuals and where their rights and dignity are maintained;**
- **to foster an ethos of spiritual growth, not only for those within the Roman Catholic Church, but also for those who adhere to other Christian traditions and other faiths;**
- **to develop the spiritual, academic and cultural potential of each pupil to the full at every stage of her school career in such a way that this development will continue throughout her life;**
- **to encourage intellectual curiosity and pride in achievement**

The school expects all its members to act with integrity, to display a concern for justice and to be sensitive to the needs of other people.
