Friday 25th March 2011

Dear Parents,

This has been another busy week for us. Monday and Tuesday saw the first performances of the two GCSE Drama groups' assessed practicals. These 'open rehearsals' were very impressive and represented two very different choices. Year 10 went out during the week to attend the Eco-Faith Conference which was an unusual fusion of ecology and religious ~ but, on reflection, maybe that's not so strange after all. Year 9 went to the theatre on Thursday, Year 7 went on an RS trip to the National Gallery, and Film Society had their second meeting after school. We were also delighted to see last week the appearance of another More House publication in the form of the pupil produced Talking Pont. I went to represent our School at Bassett House's 'next schools' event on Thursday and, just like the previous week's event at Prospect House, such was the interest in our School that I ran out of prospectuses.

As I hope that you know we have the first part of Inspection next week. By now you should have received an e-mailed letter from ISI directing you to the parental and pupil questionnaires. Can I urge you, on behalf of the Inspectors, to fill these in?
