“We keep moving forward, opening new doors, and doing new things, because we’re curious and curiosity keeps leading us down new paths.”

(Walt Disney)

Co-Curricular club timetables are produced on a termly basis. The timetable is regularly updated and available to view on the website throughout the year. At the start of term, all students will sign up to clubs that they would like to join. Form tutors will support the girls in selecting from a range of activities.

Students who have been identified as More Able both academically and beyond the classroom may be invited to specific clubs that will support their personal development by the More Able Coordinators.
