KNIGHTSBRIDGE

Welcome to More House; a small school that means big business. We are a creative-thinking Catholic school for girls aged 11-18 in the heart of Knightsbridge, preparing our pupils to be the ethical leaders of tomorrow.

More House offers a bespoke education that is progressive and future-focused. Our academic philosophy is underpinned by trust and strong teacher-pupil relationships. We know our students well and support them in succeeding both in and out of the classroom. We provide a nurturing environment for all our students to grow to new heights.

We are a Catholic school who welcomes pupils of all faiths or no faith and encourages mutual respect and tolerance among our students and staff. We are a beautifully diverse school and celebrate the richness that this brings to our community. Pupils and staff alike, describe More House as ‘a family.’

A greenhouse, not a hothouse.

Selection Day - Saturday 19th November 2022

At More House, we value the whole person and take the time to meet each prospective pupil who has registered for a place in our Year 7. As we are part of the 11+ London Consortium, all candidates also complete an entrance exam either at their prep school on one of the fixed dates in December, or here at More House on a date to be confirmed.

For More House, our Selection Day is the most important part of the admissions process. Each child will join us for a total of 2½ hours, during which they will take part in the following activities:

- Creative Task
- STEM Activity
- Interview with a member of our Senior Leadership Team

There is no need for applicants to prepare for the day, but if they have a piece of work or artefact that they would like to bring in to talk about during the interview, then we would be delighted to see it. We want all applicants to enjoy the day, as well as demonstrating the gifts and talents that they bring as individuals.

Pupils

We ask that all applicants come wearing comfortable clothing and footwear suitable for movement. They should bring a water bottle and a piece of work or artefact should they wish to share this in their interview.

Parents

With our invitation to attend our Selection Day, parents will receive suggestions of how to make the most of our fantastic location whilst their daughters are with us. They will receive a list of excellent cafés, shops, galleries and museums, some of which will be offering discounts to our parents.

Logistics

We do not offer parking at More House, so encourage families to use public transport to get to us. We are equidistant between Knightsbridge (Piccadilly Line) and Sloane Square (District and Circle Lines) and are also on the 22, 19 and C1 bus routes.

“More House is a small and focused school with strong leadership and great role modelling for women. I feel lucky to have gone to a school with such small class sizes and teachers that really know their stuff.”

(Past Pupil)

We look forward to meeting you soon and please do not hesitate to call if you would like further information about More House or to discuss our admissions process.
