We are a faith-based school that warmly welcomes pupils of all faiths and none. We celebrate diversity and believe that an inclusive, values-driven education empowers pupils to become confident, compassionate, and courageous citizens of the world.

Mission Statement

At More House School, our mission is to nurture a learning community where pupils can excel academically, lead with kindness, and grow into confident, values-driven individuals ready to shape the future.

We are a progressive, inclusive school grounded in a faith-based ethos that welcomes and respects people of all beliefs. We celebrate the diversity of our community and empower pupils to become thoughtful leaders, ethical decision-makers, and active global citizens.

Through our core values—**Commitment**, **Integrity**, and **Compassion**—our pupils strive to be their best selves, embracing opportunities with confidence and contributing positively to society.

We provide a safe, supportive environment where every pupil is known, valued, and challenged. Within this framework, they are encouraged to explore and develop their moral, spiritual, and ethical beliefs. They learn the importance of dignity, empathy, and service, and understand the power of standing up for what they believe in.

Our pupils leave us ready to shape a better world—resilient, articulate, and aware of their unique strengths and responsibilities.
